This man did an excellent job on breaking down FACTS in a clear and understandable timeline of the Republican Party vs Democratic Party and Black Americans.

This is no doubt that the Republican Party has its issues, but the Shows here:

You!

An environment that is
not safe to disagree in is not
an environment focused on
growth - it's an environment
focused on control.

 The Democrats intentionally destroyed Portland by deactivating dragli, they've since changed the laws but it's a little late for some of the lives they destroyed.
 it's like the lunatics are running the insane asylum.
 They're doing the exact same to America.
 All intentional...
